Make the switch to EFT for your Sustaining Membership —
a more reliable, cost-efficient way to keep great programs coming!

Dear <Title> <Lastname>,

FPO

Thank you for being a Sustaining Member of the Nine Network. Your loyalty and generosity to the mission of public media in St. Louis are greatly appreciated.

Currently, your monthly gifts are charged to your credit or debit card.

However, recurring credit and debit card transactions are not always as reliable as we'd like them to be. Expiration dates come and go, and credit cards are frequently reissued with new account numbers. Unfortunately, Nine Network does not automatically receive that updated information.

We know your Sustaining Membership is important to you and demonstrates your intention for Nine to receive reliable, ongoing monthly payments from you. That's why I'm writing with a special request.

Please consider switching your Sustaining Member pledge to automatic monthly deductions from your checking account, known as Electronic Funds Transfer (EFT). It's safe and convenient — and once it's set up it rarely changes.

Making the switch to EFT saves you credit card interest charges, saves Nine Network credit card processing fees, and ensures that your Sustaining Membership support is something we can count on, so we can continue to bring you great programs!

Just fill out the form below and enclose a voided check to switch your Nine Network Sustaining Membership to EFT. You'll make your good intentions go even farther.

Thanks for all you do, from all of us at Nine Network!

With gratitude,

 FPO
Jack Galmiche
President & CEO

P.S. Please make the switch — change your credit or debit card payments for your Nine Network Sustaining Membership to EFT from your checking account. It's a more secure and reliable way of maintaining your Nine Network Sustaining Membership. Thank you.
